

What is Na Lima Kako'o (NLK) and why is it on my MCHV ID card?

To start with, Maui County Health Volunteers (MCHV) is one of four units in the Hawaii Medical Reserve Corps (MRC):

In turn, Hawaii MRC is one of four organizations in the umbrella group Na Lima Kako'o (NLK):

Na Lima Kako'o (NLK) means "supportive or helping hands." The "tag line" for NLK is "Many Hands, One Heart of Aloha"

Na Lima Kako'o (NLK):

- Is an umbrella group made up of four health organizations with a role in emergency preparedness and response.
- Is managed by Healthcare Association of Hawaii, which receives federal funds to do so
- Has a shared online volunteer management system (E-Coordinator) used by all member groups
- Carries out background checks and credential checks for all who register
- Complies with mandate from US Congress for ESAR-VHP (Emergency Systems for Advance Registration of Volunteer Health Professionals), which allows registered volunteers to work outside of home jurisdiction

What is Na Lima Kako'o (NLK) and why is it on my MCHV ID card?

All volunteers should know their User ID and password for logging in to the NLK Website, as this is how we know your contact info, your availability, your skills, and preferences. Eventually the NLK site will be used to fully manage and schedule volunteers. In the meantime it helps us keep in touch with you. PLEASE LOG IN AND UPDATE YOUR CONTACT INFORMATION IF ANYTHING CHANGES.

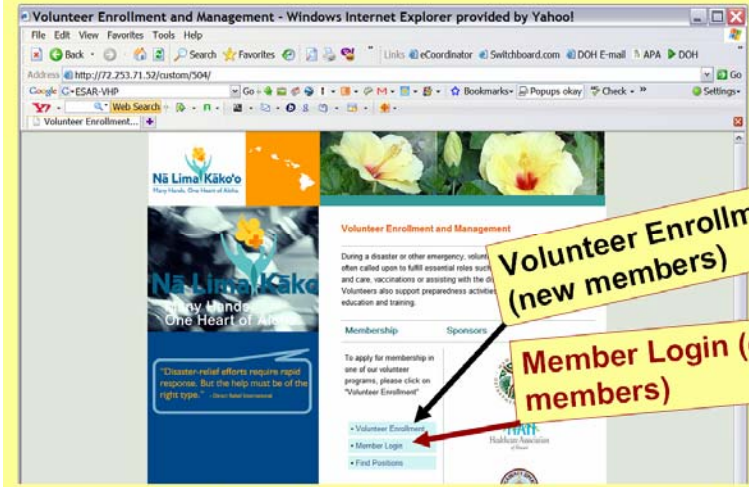

If you don't know your User ID and password, contact us to find out or set a new one.

Your NLK ID Card: Given to registered members who pass a background and credential check and who present a photo ID. If you have not received an NLK card, check with us to see which requirement is missing.

In an emergency or mock emergency (scenario or exercise), present your NLK card together with a photo ID when you sign in for an assignment.
